

SCHOLARSHIP APPLICATION FOR AVALANCHE

Name of Applicant: _____
Student's last name First Name

YFC raises money all year long to help kids get to camp and our other special events. However, funds are usually limited which unfortunately means that we cannot give to every single student in need (although we wish we could!) In order to qualify for a scholarship, a student must have a tough home/ financial situation. A qualifying student desperately needs to know that God loves them.

To secure a scholarship for your child, please fill out this application. You may begin applying for scholarships ASAP. In fact, the sooner, the better. Often, scholarships are given as a first come, first serve basis.

Please talk to your child and be sure that they are committed to coming to this YFC event before applying for a scholarship for them. Please know that we give several opportunities for your child to fundraise throughout the year. If your child receives monetary assistance, it is necessary for him or her to participate in these events as a way to show accountability.
