Avalanche is open to all High School aged students.

Fun on the slopes...

The mountains are calling!

You and your friends will love all the skiing and snowboarding at Mount Killington.

Killington is known for its diversity of terrain and grooming expertise, providing skiers and riders of all ability levels a choice of wide-open groomed cruisers, narrow classic New England runs, moguls, steeps and gladed skiing areas.

When you come to Mount Killington with Campus Life, you will have the opportunity to ride at whatever level you are at. Don't worry if you have never boarded before, we will teach you. Yes, skiers are welcome too!

Space is limited and on a first-come, first-served basis so make sure your "in" by going to www.liyfc.org/skiweekend today and Register! Registration is complete only when \$100 deposit is paid.

...and off the slopes

We have bunk style lodging in a ski and breakfast located just five minutes from the mountain. This experience is like no other. We get to eat together, hang out and enjoy all that Mount Killington has to offer.

Campus Life Nights

Every night on Avalanche we will meet together to have our own Campus Life meeting. We play our favorite Campus Life games, have great discussions, and get to make new and strengthen old friendships.

We have the unique opportunity to hear wonderful stories about God and how He is involved in our world. These inspirational talks are intended to help you think more about God and how He relates to us.
