Fun on the slopes...

The mountains are calling!

You and your friends will love all the skiing and snowboarding at Shawnee Mountain.

Shawnee has slopes for every level of Boarding and Skiing. They have two terrain parks. Their Poconos premier 3,000' Delaware Terrain Park has multi-jumps, tabletops, spine, full scale Rail and Jib Garden.

When you come to Shawnee Mountain with Campus Life, you will have the opportunity to ride at whatever level you are at. Don't worry if you have never boarded before, we will teach you. Yes, skiers are welcome too!

Space is limited and on a first-come, first-served basis so make sure your "in" by going to www.liyfc.org/skiweekend today and Register! Registration is complete only when \$100 deposit is paid.

...and off the slopes

We have bunk style lodging at the top of the mountain. All you have to do is step outside the door and the mountain yours to conquer. This experience is like no other. We get to eat together, hang out and enjoy all that Shawnee has to offer.

Campus Life Nights

Every night on Avalanche we will meet together to have our own Campus Life meeting. We play our favorite Campus Life games, have great discussions, and get to make new and strengthen old friendships.

We have the unique opportunity to hear wonderful stories about God and how He is involved in our world. These inspirational talks are intended to help you think more about God and how He relates to us.
