## **Fun on the slopes...**

### **The mountains are calling!**

You and your friends will love all the skiing and snowboarding at Shawnee. No matter what your skill level is, Shawnee has terrain for all abilities. When you come to Shawnee with Campus Life, you will have the opportunity to ride at whatever level you are at. Don't worry if you have never boarded before, we will teach you. Yes, skiers are welcome too!

### **Campus Life nights**

Every night on Avalanche we will meet together to have our own Campus Life meeting. We play our favorite Campus Life games, have great discussions and get to make new and strengthen old friendships. We have the unique opportunity to hear wonderful stories about God and how He is involved in our world. These inspirational talks are intended to help you think more about God and how He relates to us.
